

COLORADO CHILDREN'S CHORALE FREE PERFORMANCE WORKSHOP

Join us for three unique days designed to develop performance skills such as singing, dancing, acting and stage movement. This experience promises lots of fun and excitement as professional conductors and Chorale members work with you and other students to share music and theater skills plus elements of teamwork and self confidence.

After the workshop, all the participants take the stage.

The Workshop will conclude with a performance, *Voices in the Valley*, featuring workshop participants onstage with the Colorado Children's Chorale at the Gerald R. Ford Amphitheater on Wednesday, June 12, at 7:00 p.m.

Who can participate?

High energy and highly motivated boys and girls, ages 8-11, who love to sing and perform and who would like to gain some additional skills in these areas. Enrollment is limited to 80 children and acceptance is based on the date your application is received.

It's fun, it's free, and parents get treated like VIPs.

Sponsorship by the Vail Valley Foundation enables children to participate at no charge. Workshop participant families will have VIP seating for the *Voices in the Valley* concert at the Gerald R. Ford Amphitheater.
